

Design Public Hearing

Canton Street Improvements, Westwood

What is happening?

A Design Public Hearing for the proposed Canton Street Improvements Project in Westwood, MA will be held at the location below. A shared-use path for pedestrian and bicyclist use will be constructed along the east side of Canton Street between the East Street Rotary and the University Avenue intersection (approximately 1.9 miles). A sidewalk will be constructed along the west side of Canton Street for pedestrian use. The bicyclist facility will lower to the roadway grade over the existing bridge over the railroad tracks. This Project will provide safer accommodations, with high-visibility crossing opportunities for pedestrians and bicyclists.

How will this affect you?

These facilities will provide connections to the Downey Elementary School, the Route 128/University Park MBTA/Amtrak Station, nearby retail and restaurants, and the Currier Reservation Conservation Area. The Project will also incorporate traffic calming measures in an effort to reduce vehicular speeds along Canton Street.

When

Thursday, September 28, 2023
7:00pm

Where

Downey Elementary School
250 Downey Street
Westwood, MA 02090
